Applefest is a juried festival. To be considered, the following MUST accompany your notarized application, whether or not you have participated in the past:

1) Three photos/printed photos (one of your booth setup & two of the items made by you to sell), **2)** Your check payable to “Applefest,” and **3)** A self-addressed, stamped envelope (SASE) large enough to return your photos along with our response (be sure to put enough postage on the envelope). NEW vendors must also send a regular postage stamp, in addition to the SASE, so a space number can be sent to you after June 15. **NOTE - If application packet is not complete, it will automatically be returned to you, and this will delay the jury selection process. Space is limited.**

APPLEFEST 2014 RULES

READ ALL RULES CAREFULLY- YOU MUST SIGN THAT YOU HAVE DONE SO ON THE APPLICATION!

- All displayed crafts must be the created work product of the exhibitor. Commercially manufactured items, kits, and/or items not handcrafted or designed by the applicant may NOT be offered for sale. The festival managers reserve the right to audit all items on display to ensure vendors' adherence to this rule, and may request and cause the removal of work and/or items which, in the sole judgment of the festival managers, violate any festival rule. Failure to comply with any request to remove items or work from the display will result in the removal of an exhibitor from the festival. All vendors are responsible for their own NY Sales Tax number.
- Exhibitors may not rent and/or sublet their booth space, nor may they act as agents or dealers for other craft persons or manufacturers. They also may not share booth space with another exhibitor unless such a request is made in advance, and the appropriate application procedures are followed.
- **All vendors must provide their own tables, chairs, and display materials.** Remember – all spaces measure 10 feet x 10 feet sq. No displays or products will be allowed in aisles or walkways, or on sidewalks. All tables must be “skirted” or covered to the ground, and boxes & packing materials stored out of sight. No storage boxes or untidy display or craft materials are to be in public view. Vendors are responsible for keeping their area neat, clean, and hazard free.
- All booths must be manned by persons 18 years or older. Children must be supervised at all times. Pets are not allowed. All vendors must stay completely set up for the entire show. Vendors are not allowed to bring their vehicle back into the festival area at the end of the day until the Police have given permission to do so. Vendors are responsible for taking all packing material and boxes, etc. with them at the end of the day. Vendors are not permitted to use festival dumpsters or garbage cans for disposal of any of these materials. Vendors who do not clean up satisfactorily will not be accepted next year.
- Applefest is juried first on the quality of the work presented. Be sure that your photos are in focus and show your craft closely. Second, Applefest is juried by category, so if the Committee has already accepted a number of vendors in your craft category, you may be denied. Finally, Applefest is judged on the presentation of your craft and booth display. **The decision of the jury is final.**
