Applefest is hosted by The Warwick Valley Chamber of Commerce and
The Warwick Valley Community Center, a not-for-profit 501(c)(3) organization.

WELCOME TO APPLEFEST '15

Applefest began in 1989 as a simple harvest celebration to support the Warwick Valley Community Center held in the village streets and parks of Warwick, located in the Hudson Valley of New York. The event is now co-produced by the Warwick Valley Chamber of Commerce, and has grown to become a major event in the mid-Hudson region. Festival proceeds benefit these and other local, non-profit organizations.

This family festival has become an event that many look forward to for the entire year. For three years, Applefest has been the proud winner of the Times Herald-Record newspaper's "Best Family Event of the Year" category, determined by reader votes. The event was also chosen as one of the top ten festivals in the "Top 100 Events in North America" by the American Bus Association.

Over 35,000 visitors attend the one-day event - some local, and others traveling from neighboring states to experience the extraordinary variety of Warwick's apples, culture, and entertainment. Former New York Governor George Pataki named Warwick a "Quality Community," and the Village of Warwick was a proud winner in the recent national and international "America in Bloom" competitions.

Applefest features over 200 juried crafters and dozens of vendors offering a wonderful variety of food. In addition, free musical entertainment on several stages, a carnival for the children, pony rides, Farmers' Market, and fifty local non-profit exhibitors all make for a great day in the country, in a town renowned for its Victorian charm and agricultural bounty.

Who produces Applefest? The festival is co-produced by Warwick Valley Community Center and Warwick Valley Chamber of Commerce. The Warwick Valley Community Center, serving residents of the Warwick Valley and beyond, is a multipurpose community center serving those from 4 to 94 years of age. Founded in 1977, the Center offers a preschool program, community enrichment classes & workshops, after-school programs for children and teens, a film series, and is a venue for concerts and theatre. Visit us at: www.wvcommunitycenter.org.

The Warwick Valley Chamber of Commerce is a full-service business development and marketing organization dedicated to helping businesses in the Town of Warwick, NY reach their full potential. A number of leading edge initiatives make consumers in the local municipalities and surrounding areas aware of the value that comes with purchasing goods and services in the Town of Warwick.
